## Teachers Make A Difference!

### Consider a sponsorship to show your support

The Oregon Science Teachers Association's Annual Fall Conference on Science Education also offers sponsorship opportunities to celebrate teachers and support their professional learning experience. Your contributions will facilitate the presentation of professional development programming, as well as other conference functions, including the Awards Event.

***"Oregon science teachers are leading the way in creating a scientifically literate citizenry that can fully participate in the scientific and technology-based world of the future."***

*— Dr. Susan Holveck, OSTA Past-President, and TOSA for Secondary Science, Beaverton School District*

The Oregon Science Teachers Association (OSTA) is a 501(c)3 membership organization representing science educators statewide, in every science discipline, at every grade level, K-16, as well as members in our informal science education community. OSTA currently has more than 1,200 members.
